

SHD Composite Materials Ltd become Tier 2 Members of the National Composites Centre

Press release

SHD Composite Materials Ltd are pleased to announce that with effect from 1st May 2018, they will become Tier 2 members of the National Composites Centre.

SHD offer a wide range of tooling and component prepreg materials and view this membership as a key step in their continued growth within the field of advanced composite prepreg materials supply.

Membership will enable SHD to exploit the state of the art facilities within the NCC to further develop their range of materials along with the opportunity to participate in core projects and initiatives.
